Job Title: BuildUP Reading Interventionist

Overview:

We are seeking a highly motivated and experienced reading interventionist to work with high school students who need additional support in reading comprehension, fluency, and vocabulary development. The successful candidate will have a passion for working with struggling readers and the ability to make a positive impact in their learning and overall academic success.

Job Duties:

- Work with students individually or in small groups to assess and identify their reading strengths and weaknesses.
- Develop and implement a personalized reading intervention plan for each student based on their individual reading level and specific reading needs.
- Provide explicit instruction in reading comprehension, vocabulary development, and fluency.
- Use research-based reading strategies and interventions to improve students' reading proficiency and engagement.
- Hold students, teachers and yourself accountable for achievement of reading standards and growth.
- Collaborate with teachers, parents, and other stakeholders to develop an integrated approach to academic support for students who need additional assistance.
- Utilize technology and other resources to enhance student learning and engagement.
- Maintain accurate records of intervention sessions, student progress and assessments.
- Communicate regularly with parents, teachers, and other staff members to monitor student progress and provide feedback.
- Participate in ongoing professional development opportunities to stay current with best practices in reading instruction.

Skills and Qualifications:

- Bachelor's degree in education, reading, or related field

- Valid teaching certification in reading intervention or a related field (preferred)
- Demonstrated knowledge and experience in reading assessment and instruction
- Ability to work collaboratively with other educators and support staff
- Excellent communication and interpersonal skills
- Strong attention to detail and ability to manage multiple tasks
- Passion for improving student learning and academic success
- Familiarity with technology and its application to enhance student learning
- Ability to inspire, motivate and encourage students to reach their full potential.

Salary and Benefits:

This is a part-time, hourly position with an anticipated work schedule of 10-16 hours per week at \$20-25 an hour. If you are a passionate and dedicated professional with a commitment to helping students succeed, we encourage you to apply for this exciting opportunity as a high school reading interventionist. This position carries no benefits. The compensation for this position will be commensurate with experience and qualifications.
